---

### **Report on present issues**

The objective for the meetings was to get a introduction from the different federations and discuss the present development:

- Present situation in the federation
- What type of organization does the federation has
- Floorball development in the federation
- New countries in the region of the federation
- IFF input on IFF activities

The overall all discussion were very productive.

### **Issues that need to be discussed or decided upon**

- Look on the reorganisation of the New Zealand, with Australia
  - Send a mail asking for a meeting with the Korean Sport Federation during the Sport accord. The meeting could be on April 2<sup>nd</sup> or 3<sup>rd</sup> 2006.
  - IFF to research if there could be a Development Seminar in India. Send the material about the Development Seminar to the FFI.
  - Support letter to the FFI from the IFF. IFF to research this...
  - The ExCo discussed the issue and decided to write a letter to the IOC Chinese delegate and introduce ourselves and propose for a meeting in Korea during the Sports Accord.
  - Need to discuss with the International Field Hockey Federation, about the situation in Malaysia and Australia.
  - MFA will write a letter for a extension of the enrolment for the WFC 2007, with a few months, due to the election of the new committee.
- 

### **New ideas, etc...**

Nothing to report.

with kind regards,

John Liljelund
