Dear Mr Eriksson,

I had a discussion last Thursday with Mr Liljelund regarding my engagement as the chairman of IFF's Disciplinary Committee. As a conclusion of our discussion I'm confirming that I will continue in my position and that I will do my best to ensure a proper handling of the cases forwarded to the DC.

I have recently accepted a new job offer and my family and I have moved from Helsinki to Vaasa. I'm convinced that I will have the possibilities to blamelessly handle my duties as the chairman of the DC in the future.

I apologize for any possible inconvenience resulting from the work of the DC during this season. The case waiting for decision will be handled immediately. I'm in the process of scheduling a meeting later this week.

With kind regards

Olav Hermanson
