Nominations to the IFF Athletes' Commission

Dear Floorball friends,

We now invite the IFF Member Associations to nominate one FEMALE candidate for election to the IFF Athletes Commission, the election to be organised during the Women's World Championships 2015 in Tampere, Finland, where each participating player will have the possibility to vote for up to three of the nominated persons.

The first IFF Athletes' Commission (ATC) was established in 2007, according to IOC guidelines. The ATC consists of 4 female and 4 male athletes, out of which the players of each World Floorball Championships are entitled to elect three representatives and the IFF CB can, based on regional aspects, elect one member to the Athletes Commission.

The current Athletes' Commission consists of female representatives elected during the Women's WFC 2013 in Czech Republic and male representatives elected during the Men's WFC 2014 in Sweden. The ordinary period for the mandate is two years.

The objective of the ATC is to comment and take part in the preparation of the Game Rule changes, looking over the Competition Regulations and participate in the development of IFF Competitions. The ATC meets once per year, the cost of which is covered by the IFF. Other tasks for Athletes' Commission members include, writing (once per year) for the Athlete's Blog on the IFF website and contributing their personal experiences towards the content of the Athlete Career Program. Representatives from the Athletes' Commission also take part in the work of both the IFF Referee Committee, Rules & Competition Committee & the Athletes' Entourage Commission.

Nominations should be received by the IFF **no later than Friday 13.11.2015** and should be sent to competition@floorball.org The nominations should consist of a short presentation of the player, including the athlete's Floorball CV and their motivation for wanting to be part of the IFF Athletes' Commission.
