Re: Attribution of the 7th World University Floorball Championship 2016

Dear President,

We are pleased to inform you that the Executive Committee, at its meeting in Brussels, on November 9th, 2013, attributed the organisation of the 7th World University Floorball Championship 2016 to your federation.

The FISU will of course be in close contact with IFF in order to set the dates of this event. Indeed, from the experience gained from the organisation of previous World University Championships, the date of a championship is the first important step to be decided, in order not to overlap with other events in calendar of other international sports federations. We will also check the dates suggested in agreement with the FISU Technical Delegate for Floorball.

We ask you to be so kind as to send us the complete contacts details of the newly Organising Committee.

The next steps will be for you to receive both the contract and invoice for the Organising Rights Fees and in a later stage to attend one of the 2014 World University Championships as observer. This will allow the Organising Committee of 2016 to receive the FISU flag and to benefit from meetings with stakeholders involved in the organization of FISU Events.

We are convinced that this event will help to consolidate the excellent co-operation with your Association.

Looking forward to collaborating with you as to guarantee the success of this 7th edition.

Yours sincerely,

Eric SAINTROND
FISU Secretary General/CEO
