Ref.: World University Championships 2016 – Attribution procedure

Mr. Secretary General,

For the first time this year, all FISU World University Championships 2016 will be attributed at the same time in November.

FISU Members Associations have already been informed and a call for candidature has been sent out since the beginning of this year.

As our partner, we considered important to inform you of this procedure and to work closely with you in this process. Indeed, if the candidatures have to be sent to FISU by the National University Sport Federation, the support of the National Federation of the sports concerned is compulsory for the success of our events and is often the origin of the project.

We hope that your organisation will consider our World University Championship as part of your international calendar, and we remain at your disposal for any additional information that may help you communicating about it towards your membership database.

The deadline to submit candidatures is set on August 31st, 2013 and you will find more information in the enclosed document. May you need more information, do not hesitate to contact us at championships@fisunet.

Cordially,

Eric Saintrond
FISU Secretary General/CEO

Paulo Ferreira
FISU WUC Director
