### Promotion to WFC 2014 Final round

**American qualification:** The top 2 teams will qualify

**AOFC qualification:** The top 3 teams will qualify

**European qualifications:** The top 2 placed teams of WFCQ EUR1 - EUR4 will qualify. In addition, the two best 3rd placed teams (based on the average result per match) will also qualify.

Since the number of teams between the qualifications differ, the group sizes will be equalized by removing the results from the matches against the lowest placed teams in the larger sized group, before comparing the average results.

### Direct qualified WFC 2014 Final round

Sweden being the organiser is the only direct qualified team
