

**Report from RACC-organisation (CB-meeting in Helsinki 2013-08-31/09-01)**

**1. Rule Group**

The Finnish Floorball Federation has requested to continue the test regarding allowing foot pass (decision by CB needed).

So far very few questions about the new rule book valid from 01.07.2014 have been asked to office/RACC-members.

Seminar/Information about the new rule book (including questions about other things in the book to) will be set by the office at appropriate time during WFC in Czech Republic (not to collide with other activities)

**2. RACC-organisation**

The jury schedule for tournaments ahead is not 100% set for the upcoming year. Still some small adjustments will be done.

WFCQ Tournaments in New Zealand (and Canada) should (from my point of view) be handled outside normal jury work this time due to the fact that the tasks most likely will look different to a normal tournament.
