This application is made to become the full member of IFF because it is very important for full development floorball in all territory of the Russian Federation, to take part in all officially IFF event, to be a part of big international Floorball family and the further accession to National Olympic committee. Recognitions floorball as kind of sport by National Olympic committee in Russia also impossible without IFF membership. And also for getting accreditation for 4 years by Ministry of Sport of Russia in 2015.

President

Chernov Maksim

22/08/2013
