

## FLOORBALL SOUTH AFRICA

2013-08-20

**Attention:** Mr. John Liljelund – General Secretary IFF

Dear Sir

**Re:** Application for Membership of the International Floorball Federation.

We hereby wish to request application for membership of the National Federation, Floorball South Africa, in becoming affiliated members of the International Floorball Federation as from the year 2014. We also request temporary membership in the remaining months of 2013.

We are a new National Federation which wishes to govern all aspects of Floorball in South Africa. Once we receive the approval letter from the IFF, we can then get all our documentation in place (which has already been completed and ready for delivery) and then submit an application as an official national sporting federation towards all the different sporting bodies within South Africa.

We hereby include with our membership application our approved constitution, signed minutes of our last national executive meeting, policies and programs. These are the documentation required in South Africa to form a national sporting federation. We have a great capable national executive committee who are all committed to improvement of the sport, Floorball.
