Ref.: World University Floorball Championships 2016 – Date approval

Dear Ms. President,
Dear Filipa,

I hope you are well.

Further to the date proposal submitted to us for the organisation of the World University Floorball Championship 2016 we have consulted the International Floorball Federation (IFF) and have together approved the following competition dates:

- July 19-24, 2016

We remind you that the competitions of floorball shall last five (5) days and that the official dates should be understood as from the Opening Ceremony to the Closing Ceremony. Consequently, when producing any advertisement material we kindly ask you to take this into consideration and to inform us immediately may the Opening Ceremony be held the day prior to the first day of competition.

May you require more information, do not hesitate to contact us (championships@fisu.net).

Cordially,

Paulo Ferreira
