**Re: WADA Education Standing Committee Membership**

Dear Ms Bruun,

We thank you and the IFF for putting your name forward for consideration as a member of the 2015 WADA Education Committee. As you may know, the process of determining Committee composition involves the Chair of the Committee, in consultation with WADA Chairman, Sir Craig Reedie, and me as Director General. This is undertaken in conjunction with our other standing committees to ensure fair distribution of membership between government and sport, regional divisions, whilst also taking into account gender and cultural balance where possible.

Following this review for the 2015 Committees, we now have the pleasure of advising you of your selection to continue with the Committee. Your re-appointment will commence on 1 January 2015 and will be for a term of 3 years.

Our staff will be in contact with you again soon in order to provide you with further information concerning your involvement in 2015. We thank you in advance for your continued contribution and commitment to the work of the Committee and our fight against doping in sport.

Yours sincerely,

**David Howman**  
Director General

**Rob Koehler**  
Director responsible for the  
Education Committee
