06.02.14

Estonian MU19 national team achieved 11th place in WFC 2013 and according to IFF competition regulations valid from 10.03.2013 (§ 4.2.3) qualified to B-division final round.

Estonian Floorball Union have not received invitation to MU19 WFC 2015 final round. We have asked about this issue from IFF office and they have forwarded it to IFF Central Board meeting in February.

Estonian Floorball Union expect that IFF is following valid competition regulations which clearly indicates that Estonian MU19 national team has already qualified to the next MU19 WFC.
