

INTRODUCTION

The purpose of this questionnaire is to obtain specific information about the anti-doping programmes of each Recognized International Federation. This information will provide insight for the IOC regarding the various anti-doping programmes in order to continue funding and providing support to these project and the initiatives of the Federation. Through this programme, we do not intend to monitor these projects but rather obtain the information to help bridge the gap between the Recognized International Federations by sharing best practices, creating synergy, and building a link between the IFs with similar projects and target markets.

Please Note: This information will be used internally within the IOC and the information of the Project Contact will be shared with other Recognized IFs with similar projects. If you do not wish to be put in contact with other IFs with similar projects please check the appropriate box below and this information will be strictly used within the IOC.

- ☒ Yes, please put my IF in contact with other Federations with similar projects.
- ☐ No, we would not like to be put in contact with other IFs – please keep this information within the IOC.

PROJECT SCOPE

What will be the impact of this project in 2014?

(How will your anti-doping initiatives improve as a result of the project?)

The continuation of the IFF Say NO! to Doping information and awareness campaign at the World Floorball Championships 2014 with spread further the message of playing clean, respecting the spirit of true sport and fair play.

The Athlete Outreach Programs will inform and educate all WFC players and their entourage in questions related to Anti-Doping.

Assessing the possible gaps in current Anti-Doping information and education activities will assist the IFF in targeting specific athletes/coaches/countries in its future Anti-Doping activities.

What partners (if any) are involved in supporting this project?

(Other stakeholders involved in the implementation and execution of the project, such as national federations, governments, sport organisations, etc...)

These project will be run in cooperation with the Swedish Floorball Federation who are organising the Men's World Floorball Championships 2014. The plan is also to involve the Swedish NADO in the Say NO! to Doping campaign.
