**Repay of the debts to the IFF**

Dear Mr. Secretary General,

German Floorball Association had on 1<sup>st</sup> of May debts of 34.487,61 CHF. We plan to repay the debts as followed:

|                                  |               |
|----------------------------------|---------------|
| May 2014 (already payed)         | 17.911,52 CHF |
| 15 <sup>th</sup> of October 2014 | 9.076,09 CHF  |
| 1st of December 2014             | 7.500,00 CHF  |

The last payment (7.500 CHF) will be the annual fee 2014. In this way all debts to the IFF from the previous years and all fees related to the Championships will be paid latest 15<sup>th</sup> of October. We hope this proposal is acceptable for the International Floorball Federation.

Sincerely yours

Oliver Stoll  
German Floorball Association  
President
