

Dear John,

Thank you for your email regarding the debts.

We would like to solve this situation depend of our possibilities as following :

- We sent this week the amount of 3000CHF
- Until July – we are able to send from SFA next amount of 7.000,-CHF , we will receive the amount from Ministry of Sport, but don't know exactly the date - of course we will send it a.s.a.p.

(we have to receive from ministry of sport and education the amount of cca 30.000 EUR for our work and activities – period Mai – December 2014 – like national teams WFCH, running our leagues, schools tournaments...etc ...)

- We are trying to solve the rest of the debts cca 15.000, CHF with Mr. Teo Turay – until June

We would like to erasure the debt to zero until July – august, but really we see it as following:

- Until July decrease the debt to cca 15.000,-CHF
- We are in discussion and want to sign the contract wit our „sponsor“ and after we will send also the rest of the summ – organizing by Mr. Turay and myself (date June-July)

Best Regards

Daniel
