### **Candidature Dossiers: Men's U19 WFC 2017 and Women's U19 WFC 2018**

Dear Ladies and Gentlemen

Herewith the Swiss Floorball Association (SUHV, swiss unihockey) presents you the candidature dossiers for the following upcoming international events:

- **Men's U19 WFC 2017 – preliminary to be played in the period 03.-07.05.2017**
- **Women's U19 WFC 2018 – preliminary to be played in the period 02.-06.05.2018**

swiss unihockey with its previous fundamental experiences of organizing international tournaments and events is convinced to fulfill all the required skills and expectations to act as a professional and well-organized host for the events above.

**Important information:** swiss unihockey will not be able to organize both events in a row. So swiss unihockey is open to organize **either the Men's U19 WFC in 2017 or the Women's U19 WFC in 2018** with a slight preference of organizing the Women's U19 WFC in 2018.

After the latest Women's WFC 2011 and Men's WFC 2012 and the upcoming Champions Cup 2014 swiss unihockey would be anyway proud to welcome the best junior floorball players of the world in Switzerland in 2017 or 2018.

We are looking forward to a positive feedback and we are available to any upcoming questions.

Sincerely,

**swiss unihockey (SUHV)**
