Subject: Official resignation

Dear CB colleagues and IFF staff

By this email I want to inform you officially that I have decided to resign from the IFF CB.
This is my personal decision. It has been wonderful 18 years in the IFF CB.

Now I would like to leave my position and if the CB so decides give the position to a person who is more actively inside the Finnish floorball on the top level.

I am sure that I shall not leave floorball totally. You know there are many ways to be involved eg. to play and coach.

I hope to see you all many times. The timing of the WFC 2014 is not the best possible for our family since our boy is due to be born 2nd of December. The CB meeting in Zurich may be possible but I cannot be sure of the attendance of that either.

Yours

Risto
