For the IFF Central Board:

In behalf of the floorball community in the Philippines, we would like to request your approval of the change of IFF membership from Floorball Philippines (FP) to Philippine Floorball Association (PFA). Since the conception of floorball in the country in 2011, the sport has been steadily growing in the number of players and clubs which resulted to the need for re-organization of the local floorball community through the establishment of the PFA.

The PFA has been founded by the four pioneering floorball clubs in the Philippines namely UP Floorball Club, UMaK Hardy Herons, UA&P Dragons, and De La Salle Zobel last 14th of March 2015. The association was officially registered as Philippine Floorball Clubs Association, Inc. on the 11th of April 2015 by the Securities and Exchange Commission as a non-stock sport organization. Attached herewith are the copy of the Articles of Incorporation and By-Laws of the association. With the same vision and purpose as FP, the PFA aims to be a well-organized floorball federation that produces world-class and holistic Filipino athletes, coaches, referees and officials in the sport. The mission of the association is the ff.:

- a. to promote, enhance, inculcate to the public and the community the social and health benefits of engaging in floorball.
- b. to instill friendship, camaraderie, and goodwill among the members within and with other related associations.
- c. to undertake or participate in training, seminar, symposium, or lecture series regarding floorball.
- d. to get involve in civic projects or voluntary work to the community.
- e. to participate in various competitions in order to achieve a sense of sportsmanship, and self-confidence among the members and other participants.

During its foundation meeting, the PFA general assembly elected six Board members, who in turn elected from among themselves the Officers and the Executive Committee (ExeCom) heads of the association. We would like to assure the IFF that the elected board members and officers are the same group of people who have been working to further the development of floorball in the Philippines for the past three years, resulting to the participation of the country in recent IFF competitions particularly the 1st Southeast (SEA) floorball championships in December 2014 and the 28th SEA Games in June 2015 which were both held in Singapore.

Furthermore, we believe that this change is important to continue the growing development of the sport in the country, including the inclusion of floorball in our NOC recognition. In view of this, the PFA, with the headquarters located at 17-A Ipil St., Brgy. Duyan-Duyan, Quezon City 1102, Philippines, seeks the approval of the IFF to change the country's membership from FP to PFA.

Thank you and hoping for your kind consideration.

Respectfully yours,

Ralph Andrew Ramos (Sgd.)
