

APPLICATION LETTER OF THE MALTA FLOORBALL ASSOCIATION TO THE IFF

Dear John,

Here is a synopsis of the information your requested.

The sport has been introduced in Malta circa 2 years ago, by mainly Swedish expats working in Malta. Today there are already over 60 players, mainly expats, who participate in training and friendly matches on a continuous basis.

Following the decision to consolidate the sport and form the MFbA, the sport is already taking off. We will work to introduce more Maltese and more children to the sports especially by introducing Floorball in local schools.

The MFbA will launch its first official tournament scheduled for 3 May 2015. 8 teams have subscribed for participation after only a few days. Following this experience, the MFbA committee have already agreed to sit down during May, and organise a national league to commence for the coming season.

The MFbA has also approached a local sports goods supplier to stock hardware required for the sport.

Also the MFbA appreciates that in order to increase the following for the sport, it must attract the interest of the Maltese. One of the top priorities of the MFbA is to draft a plan to visit schools in order to entice as many children as possible. We have made our official registration with the Maltese National Sports Agency and following the election of the new Malta Olympic Committee (set to happen in the next few weeks) we will also bid to register with the MOC.

The MFbA through Mr Christer has an ambassador abroad, and he has already been requested to invite teams in the Nordic countries to visit Malta to play matches against our teams.

The people who are playing floorball have advised us to follow the newly set 2014 Floorball rules.

Kind Regards

Orlando

Dear General Secretary,

We would like to officially register the Malta Floorball Association (aka MFbA) within your organisation. Attached with this email please find the first draft of MFbA Statute and minutes of our first meeting.

Also please find the list of the first executive council that will lead this newly formed association.

Thanks for your help and consideration

Kind Regards

--

Orlando Bonnici
Vice-President
Malta Floorball Association
