

APPENDIX 5

IFF LICENCE FOR PARTICIPATION AT MAJOR EVENTS – VERSION 2.0

DISCUSSION PAPER FOR IFF CB

- **How much does IFF want to use the Licence Conditions to help the following**
 - o Development in new countries
 - o Confirm status and push existing countries to improve and governance etc
 - o Continue the path towards meeting IOC Road Map
 - o Use to identify and continue to push the EOTO works for areas of deficiency
- **Does the IFF develop a fixed and firm set of requirements or is there some flexibility allowed for individual circumstances**
 - o Do we need to consider recognition issues for each country
 - o Do we need to consider political issues with new countries and regions
 - o Which events does this apply for all WFC, EFT, CC or Regional?
 - o What constitutes National Championships as many countries currently only play an Open tournament due to number of teams and/or distance costs
- **How does the IFF check compliance – audit/when**
- **Timeframes for compliance, what should they be**
- **What should the Licence conditions be, suggested conditions for discussion are**
