**3.2 KOREA**

- First Jeju Island Open held in September. Very successful.
- National championships just completed in November
- Various tournaments held over the last 3 months all very successful
- New regional Floorball Associations established over last 3 months

### 3.3 PHILIPPINES

- Philippine Floorball League 2015/16 opening - October 2015
- PFA Floorball-for-all national program\* - September 2015 The **PFA Floorball-for-all national program** aims to increase the number of PFA member clubs by introducing floorball as an alternative and recreational sports program for students, teachers, staff, and alumni of interested schools nationwide. The idea is that PFA will provide volunteer coaches and start-up equipment to the school and facilitate at least once-a-week floorball games. Once the program is set regularly in the school, PFA will then assist the participants to start forming their own floorball club. PFA is targeting to launch the program to at least 5 schools by end of 2015 and another 20 by 2016.

### 3.4 MALAYSIA

- The Malaysia Floorball Association is working towards applying for MOC recognition to be able to push the inclusion of Floorball at the 2017 SEA Games in Malaysia

### 3.5 INDIA

- Ongoing coaching and referee development programs
- Various tournaments and championships held over the last 3 months all successful

### 3.6 JAPAN

- JFF is seeking possibilities for the enrolment of Floorball in Demonstration Sports at the 2020 Olympic Games. IFF will assist to work with the JOC on this matter or give us whatever advice.
- Incorporation of Japan Floorball Federation. We started the study for incorporation of JFF to be finished by April 2016. This is our priority work for strengthening our organizational infrastructure for further development of Floorball in Japan. Revision of the JFF's Article of Association might be necessary for matching to the present legal standard.

### 3.7 CHINA

- Teams participated at the Jeju Open
