**Re: WADA Athlete Standing Committee**

Dear Ms. Plechan,

We thank you, the International Floorball Federation, the EOC EU Office, and the Polish Floorball Federation for putting your name forward for consideration as a member of the WADA Athlete Standing Committee for 2019. As you may know, the process of determining Committee composition involves the Chair of the Committee, in consultation with WADA Chairman, Sir Craig Reedie, and me as Director General. This is undertaken in conjunction with our other Standing Committees to ensure fair distribution of membership between government and sport representatives and regional divisions, whilst also taking into account gender and cultural balance where possible.

Following the above-mentioned review, we regret to inform you that you have not been selected for inclusion to the Committee in 2019. Please note however that this does not preclude you from applying again in the future.

We thank you again for your interest in protecting the clean athlete.

Yours sincerely,

**Olivier Niggli**  
Director General
