**Re:** ETC decision in the Complaint by the Cameron's dated 12<sup>th</sup> of June 2018

Dear Ms. Cameron,

The IFF Ethics Commission has reviewed your most recent complaint, in which you allege "integrity non-compliance." Specifically, you contend that Floorball Australia ("FA") is not in compliance with its own constitution, causing you harm.

The Ethics Committee finds that the complaint does not disclose a breach of the IFF's Code of Ethics, Good Governance Policy or Discrimination, Harassment and Abuse Policy or Conflict of Interest Policy.

Furthermore, the Ethics Committee finds no basis for your allegation that your disagreement with Floorball Australia amounts to "bullying and harassment." In addition, it is the Committee's view that the issues raised are internal domestic matters. Furthermore, there is no indication of non-compliance with the proper processes established by Floorball Australia.

In Helsinki, on the 21<sup>st</sup> of June, 2018
