

Regarding **Latin America** these are the last updates:

Brasil

Launched a Portuguese version of the Rules of the Game and preparing a video with subtitles in Portuguese also. Mr. Adriano Serafín has confirmed his attendance to Prague in December. The contact from Mr Ewerton Santos is not that clear, he told me about running seminars in São Paulo; I answered about the convenience of doing all under the umbrella of ABF and now he is saying something about coming to Portugal.

Mexico

Mr Teijo Vienola is growing in his area with non-stop activities and reaching more schools to start floorball lessons.

Dominican Republic

Mr. Osvaldo Cabrera is working with a group of 18 athletes giving exhibitions of Floorball. This coming Monday will start the established school activities (as PE teacher). He would like to join us in Prague and for that he needs an official invitation from us (IFF) to get the permission.

Argentina

Mrs. Gloria Manriquez is coming to Spain in December and set a meeting with me for then.

Portugal

There are two active groups now: the one by Stefan Uusitalo in Algarve and a new group in Lisbon. Trying to get them involved and do things together with Spain.

Spain

The Spanish association is in September leading a seminar during the Madrid Youth Festival I juegos parainclusivos de la Comunidad de Madrid
