Dear President,

The IOC is pleased to launch the 2019 IOC - International Federation Development Programme.

The great success of the Olympism in Action Forum and the Summer Youth Olympic Games Buenos Aires 2018 a few months ago has underscored the ongoing strength of the Olympic Movement and the continued attractiveness of the Olympic Games. With the role of sport in society more relevant than ever, strengthening the support for sport and athletes worldwide is a key commitment of Olympic Agenda 2020.

It is therefore my pleasure to confirm that this year the IOC will allocate a total of USD 32'000 to the IFF for your development programme. We trust that this funding will contribute greatly to supporting your chosen project with a goal of further developing your sport and supporting your athletes.

Please note that the IOC Sports Director will contact you in order to complete the relevant documentation and process the support payment.

Wishing you every success in the implementation of your project, I remain,

Yours sincerely,
