

Appendix 14a

Anti-doping Organization (ADO) Statistical Summary - 2011

Article 14.4 of the World Anti-Doping Code requires that "Anti-Doping Organizations shall, at least annually, publish publicly a general statistical report of their Doping Control activities with a copy provided to WADA." Article 14.5 also requires that "WADA shall act as the central clearing house for Doping Control Testing data" from anti-doping organizations and "shall, at least annually, publish statistical reports summarizing such information."

The following template is intended to assist your organization in complying with this requirement and may your submission may be published in full or in part on WADA's website.
