Dear Mr. Liljelund,

I would like to inform you about the decision of the Ministry of sport of the Russian Federation regarding the development of floorball in Russia and the participation of the Russian national team in the 9<sup>th</sup> World Floorball Championship.

According to the Russian legislation, the accreditation procedure for interested national organizations needs more time, than you give us. For this reason the Ministry of sport of the Russian Federation took a decision to assign all the responsibility for the development of floorball in Russia and for the participation of Russian teams in international competitions to the Committee of national and non Olympic kinds of sports of the Russian Federation for the period of 6 month.

I kindly ask you to contact Mr. Gennady Aleshin, Chairman of the above mentioned committee, for any questions you may have regarding Russian Floorball and the participation of Russian teams in IFF competitions.

Sincerely yours,  
Deputy Minister of sport  
of the Russian Federation

Pavel Kolobkov
