**Re: Reveal the Champion in Others by becoming an Ambassador for Special Olympics**

Dear Dominika,

It is with great pleasure that we invite you to become an Ambassador for Special Olympics, the world's largest sports movement transforming lives for people with intellectual disabilities.

Your demonstrated leadership in Floorball and your generosity and willingness to use your professional prestige at home and abroad to promote social change make you a perfect candidate for our organization.

Working together with the support of the International Floorball Federation we can use the power of floorball to create a world in which the largest disability population on earth leads healthy, vibrant lives grounded in sports, health and the determination to demonstrate their personal bests to themselves and their communities.

Below is an overview of what our partnership can entail. Enclosed you will find more detailed information on our Ambassador Programme. We make every effort to tailor the role to fit the availability and interests of the Ambassador, and appreciate the time you are willing to give to our athletes.

- Sign on for an ongoing time period (participate on an as needed basis);
- Lend your name and likeness to public awareness campaigns and media interviews in support of the Special Olympics movement;
- Commit minimum 1 day or 1 event per year to Special Olympics for events that would be either appearance at local or regional Special Olympics competitions or Special Olympics demonstration matches at IFF events etc;
- Participate in a press event announcing your Ambassadorship;
- Assist in identifying possible events where cooperation opportunities would be easily established (for example floorball club training, local Special Olympics floorball club trainings, camps, competitions, national team events, IFF events);
- Consider making a year-end donation to Special Olympics or assist with a pass-through donation from partners;
- Whenever possible, partner with a Special Olympics athlete for all your Special Olympics related activities.

Your Ambassador programme will be managed in partnership and full collaboration with the International Floorball Federation, Special Olympics and your management team.

Thank you for taking the time to consider our proposal. We would be grateful if you could express your interest in becoming a Special Olympics Ambassador by November 2012 by contacting my colleague Maureen Rabbitt at [mrabbitt@specialolympics.org](mailto:mrabbitt@specialolympics.org) or +353 1 6755715. Please also feel free to contact her with any questions you may have.

Should you accept this invitation, you will be contacted by our team in Czech Republic to discuss upcoming opportunities in more detail.

I look forward to us activating our partnership in the very near future!

Best regards,

A handwritten signature in black ink, appearing to read 'Mary Davis', with a large, stylized flourish at the end.

Mary Davis  
President of Special Olympics Europe Eurasia
