

EuroFloorball Cup 2008 report

Preparations for EuroFloorball 2008 final round to be in Vantaa have started very well. The project plan has been made and the preparations are in schedule. The organizing committee has had three meetings so far. Mr Ari Vehniäinen has been EFC2008 Secretary General from 1.8.2008 and Ms Kaarina Salomaa will start 1.11.2008 as an EFC2008 assistant.

The preliminary schedule for the EFC2008 final round has been made and it will be finalized after the last EFC Qualifications. The ticket selling will start in September.

Info letter to the teams

The organizing committee has sent 3.7.2007 the first info letter to those ten teams who are ready for the final round. There was information about the organizing committee, venues, accommodation and city of Vantaa.

The same info letter will be send to rest of the six final round teams after the EFC Qualifications.

TV

The organizing committee had their first TV-negotiations with the Finnish Broadcasting Company Yle but they weren't able to make a contract between EFC2008 and Yle. After that the organizing committee started negotiations with the Sport Channel and the contract has been made. The Sport Channel is the host broadcaster for EFC2008. The Sport Channel will produce and broadcast four games, both of men's semi-finals and women's and men's finals. According to the contract between IFF and Finnish Floorball Federation the TV production will be made such that the transmission to the other countries is possible.

Web pages

The official web pages for EFC2008 will be open 7.9.2008. The address is www.efc2008.fi.
