Application for rule test

The Swedish Floorball Federation (SFF) hereby applies to test to play 4 against 4 players (plus goalkeepers) in the sudden death when a match ends undecided.

The sudden death is a maximum of five minutes.

This is going to be implemented in the highest series for men and women, Svenska Superligan and Elitserien Damer, in 2007/08.

The SFF will get back to you with further information regarding details.

Kind regards
