

Appendix 6

Dear mr. Liljelund,

I confirm reception of your mail dd. June 14 last, inviting me for one of your major events in 2008.

Provisionally I have reserved a day for the event in October, especially also because it will not require very much travelling since it will take place in Switzerland.

I am sure that we will have contacts about this before and in the meantime I wish you lots of success in further building out your sport!

Kind regards,

Hein Verbruggen
GAISF-Pres.
