A complaint of the infringement of regulations

By the name of 1.SC SSK Vitkovice I bring the complaint of the infringement of the IFF regulation(rules for friendly international matches - article : 3.2 Only players being licensed for a club taking part in an international club match or tournament shall be eligible to play for the club concerned.) on the international tournament CzechOpen 2007 in Prague. At variance with the regulation, plays on this tournament(in elite male cathegory) for Tatran Stresovice players Radim Cepek and Ales Jakubek and for Torpedo Pegres Havirov players Petr Kozusnik and Richard Michalik, who are registered in other teams. Because of that fact we feel aggrieved(according this regulations our team didn't use a few of players,mainly Czech representative Pavel Brus,who are in hand for the next season in our team, but just they haven't valid license)and we demand appropriate measures or the explication at least.
