

GFA – letter SC Colegi Batumi

Dear Friends,

Georgian Floorball Association informs you that S.C. "Colegi" BATUMI (women) can't come to the Latvia to Championship, because Latvian consulate didn't give visas for the official persons support team.

Yesterday was meeting of S.C. "COLEGI" where we decided that team can not take part in Championship without head coach. Want to inform you that we have specific traditions and parents of our players can not let them go without support.

President of GFA delivers official letter to the Latvia.

Best regards,
Nika Amaglobeli
Secretary
