Application for membership in the Central Board of the International Floorball Federation

Dear members of the Central Board,

On behalf of the Central Board Swiss Floorball Federation SUHV I have been asked to establish the contact to the members of the CB of the International Floorball Federation in light of the election of at least one new member of the CB IFF on December 11th 2010 in Helsinki.

For many years the SUHV was an ordinary member of the CB IFF represented by Renato Orlando. Due to his resignation at the end of April 2010 a new situation has arisen, not only for the SUHV but for the CB IFF as well.

The SUHV is one of the four founding and leading associations within the IFF and is convinced that at least one person of the CB SUHV should become a member of the CB IFF. Therefore, SUHV would like to recommend Edwin Wiedmer, President of the SUHV since February 2008, to be the official swiss candidate for the election of a new member of the CB IFF. SUHV would be pleased to have from all members of the CB IFF a full commitment and endorsement with regard to the nomination of Edwin Wiedmer. It is quite clear for all members of the SUHV that this election is not imperatively bound to an association but rather to a person. As one of the leading associations, the SUHV would be delighted to have a strong support and courtesy from the other associations compared to the SUHV as well as towards Edwin Wiedmer. He will hand over his CV next month to the members of the CB IFF.

The SUHV kindly asks all members of the CB IFF to support the candidacy of Edwin Wiedmer as a new member of the CB IFF. Edwin Wiedmer is willing to attend and participate in upcoming meetings to become more familiar with the rules and procedures within the CB IFF.

SUHV thanks you very much for your attention.

Sincerely,

swiss unihockey

Edwin Wiedmer
President of SUHV
