Dear Mr Liljelund

MEN'S WORLD FLOORBALL CHAMPIONSHIPS 2012

The Singapore Floorball Association (SFA) would like to state its intention to host the Men's World Floorball Championships 2012 in Singapore in May 2012.

2 Singapore were the proud hosts of the Women's World Floorball Championships 2005 in May/June 2005, and the event created tremendous interest and excitement among the floorball fraternity, who were fortunate to have the opportunity to witness top class floorball at first hand. The event has contributed to a greater popularity of floorball in Singapore, and this is evident in the greater interest in our Singapore Floorball League, especially among the youth.

3 The SFA would like to bid for the Men's World Floorball Championships 2012 to be held in Singapore for the following reasons:

- To promote the continued growth of floorball in Singapore by providing the floorball fraternity of Singapore the chance to witness top class Men's floorball in Singapore.
- To promote the growth of floorball in Asia by bringing the Men's World Floorball Championships to Asia for the first time ever and help its popularity growth in the region.
- To complement the completion of the new Singapore Sports Hub, which will be completed in July 2011 and will feature new sports facilities, including a 3,000 seater Multi-Purpose Indoor Arena that will be sited next to the Singapore Indoor Stadium, which hosted the Finals of the Women's World Floorball Championships 2005. Singapore will be actively seeking to host international sports events to complement the completion of the new Singapore Sports Hub and its vision of establishing Singapore as a hub for international sports events in Asia.

4 The SFA would like to seek the IFF Central Board's support to its proposal to host the Men's World Floorball Championships 2012 in Singapore in May 2012.

Thank you.

Yours sincerely

Sani Mohd Salim
Vice President
Singapore Floorball Association
