Latvijas Florbola savienības prezidenta Alfrēda Kundziņa uzrunas tēzes

Dear Members of the Central Board of IFF!

Dear floorball friends!

Dear participants of the 3rd World Floorball Championship for Juniors Under 19!

I am very glad to welcome you to my country in October the 25th – the 30th, to take part in very important floorball event for all of us ...

The games of the 3rd World Floorball championship for Juniors Under 19 will be played in Cesis and in Valmiera (Latvia).

The town Cesis is a center of one of 26 districts in Latvia with population up to 20 thousand. In year 2006 Cesis will celebrate the 800th anniversary, and our championship is one of the important events of the program of this celebration. Cesis is situated in Vidzeme region in a distance of 100 kilometers on the North – East direction from Riga.

The town Valmiera also is a center of one of 26 districts in Latvia - with population up to 30 thousand. Valmiera is situated in Vidzeme region in a distance of 120 kilometers from Riga. The distance between Cesis and Valmiera is 30 kilometers.

Accommodation alternatives with different price levels for teams are already proposed by our official partner - travel company "Latvia Tours". I am sure, that all teams got this proposal and all your contacts with "Latvia Tours" are without problems. The teams, having problems, please contact me directly after this meeting! Also all notes and proposals concerning the accommodation are more than welcome!

The accommodation for IFF Central Board, Secretary General of IFF and for IFF Jury is booked in hotel "Cesis", but accommodation for referees is booked in hotel "Katrina" in Cesis. Both hotels are dislocated in the central part of Cesis in 10 minutes walking distance from the main arena.

The meeting rooms for IFF officials, IFF Jury and for referees will be dislocated in same hotels as their accommodation.

The accommodation for press will be proposed in Cesis and in Valmiera, but the central press room will be available in main arena in Cesis.

Accreditation forms for the press will be sent to the associations before the 31st of July, 2005.

Transportation for teams will be guaranteed according the Regulations and the time - table of transportation will be worked out according the information from the teams - the arrival time, the arrival place, the name of hotel and the wishes for practice sessions. The teams also are welcome to inform us, if they will use their own buses! Please, send for us all this information as soon as possible!

The teams will have possibility to practice 60 minutes in the official venue before the first match.

The transportation for IFF Central Board, IFF Jury and for referees will be organized according the IFF Organizers Regulations.

The arenas will be ready for championship in time. The new hall in Cesis (wooden floor) with capacity of spectators up to 1400 is opened since November 2004 and in April the 22nd - the 24th, 2005 was used as arena for The Four Nations Tournament for Juniors of teams Czech Republic, Finland, Switzerland and Latvia.

The new arena in Valmiera with capacity of spectators up to 1400 is under construction and will be ready before September, the 14th, 2005.

We are looking forward to use during the Championship a floor of synthetic material in both halls.

Our partner - Producer of drinking water "Venden" - will provide all the teams with drinking water during the official games.

A special proposal with prices of tickets, proposals for accommodation for supporters will be sent to associations before the 31st of July, 2005.

The address of the home page of WFC will be sent to the associations as soon as possible, but not later the 31st of July, 2005.

All participants are welcome to send for us any proposals and wishes concerning the preparations for the 3rd World Floorball Championship for Juniors Under 19.

Welcome once again to Cesis and Valmiera, Latvia!
