A presentation of the DUB e.V.

WFC 2006, November 8-12

Women under 19

Where will it take part?

- In the east of Germany in the state Saxony
- The state association of Saxony is the second biggest state association of the DUB
- The Region of Leipzig is a centre of floorball in Germany with either woman and man teams in the national leagues. The number of clubs in the region is over ten.
- The towns Grimma and Naunhof where the WFC shall be arranged are strong in working with youth teams as well as in organising international events such as the 4 Nation Cup either for men or women teams.

The main themes

- Short distances;
- easy going organisation especially for players under 19;
- no big official events;
- smaller venues, in order to play to a full house every day.

Grimma

- Inhabitants: 18.089
- Surface area: 51 qkm
- 22 sports clubs with 2.325 members
- At Grimma different events have been organised in the past; such as soccer event for players under 19 between Germany and Ukraine
- Grimma was touched hard by the floods in August 2002, when the whole of Saxony was hardly hit by the waters from river Elbe and others, like the river Mulde in Grimma. All damages caused by the waters have been eliminated meanwhile and Grimma is much more beautiful restored than it was before.
